

CTC Destination & Meeting Management has been in business in Long Beach since 1995. Since its inception, we have gained knowledge, experience and expertise in the field of managing tours, travel, transportation, events, meetings, public forums, tradeshow, and conferences. **CTC** has worked with private companies, associations, and public entities to arrange, manage and execute their programs at various destinations throughout the United States and abroad.

CTC takes pride in our stellar reputation as a premier meeting and destination management company. We are widely known for our superior expertise, our detailed program management and our personalized customer service, which has set us far apart from our competition. Our warm, professional staff has extensive knowledge in the hospitality and meeting industry, as well as in group travel and destination management – a unique combination of experience. We invite you to take advantage of the skills in which **CTC** has gained specialized knowledge and expertise for your next conference, meeting, tradeshow or event.

CTC offers a wide selection of professional services, including:
